Canadian Independence

Peaceful-No War
-Most of Canada was colonized by the UK.
-Gradual movement from 1860's-1982
-Since they broke up peacefully, they still like and recognize the British Monarch

Quebec's Independence

Peaceful-No War

-People in Quebec have argued many times about becoming their own country.
- They are still part of Canada, but fight to preserve their French heritage.
-They make sure all documents are printed in French. English can be on the document, but it must be second.
