

Geography and Culture Review

Assignment: You will create a PowerPoint reviewing all of your geography and culture standards for Europe and Canada. Each slide should include the requirements below and a picture from google. The requirements below are the bare minimum and flexible guidelines. You have the time and freedom to be creative and add additional information to the slides. If all of the information does not fit on one slide, please add additional slides.

Title Page:

- Title your PP: European and Canadian Geography and Culture
 - Include picture/pictures that represent geography and culture
-

Slide One:

Title slide one "Environmental Problems"

State the environmental problem, cause, and impact on the country for:

- Germany
 - United Kingdom
 - Ukraine
 - Canada (4 problems)
-

Slide Two: (You may use additional slides if needed)

Title slide two "Factors that Impact Trade"

Explain how location, climate, and natural resources affect the countries of:

- United Kingdom
 - Russia
 - Italy
 - Germany
 - Canada
-

Slide Three:

Title slide three "Colonization and Canadian Culture"

Explain what country colonized and how it affected their language and their religion.

- Canada
-

Slide Four:

Title slide four "Major World Religions"

State the holy book, name of followers, number of followers, and 2 additional facts for:

- Judaism
 - Christianity
 - Islam
-

Slide Five:

Title slide five European Languages

Use p. 130 in the coach book to explain the diversity in European Language. Do they have a lot of languages? Do they like this? What do students in Europe have to do?

Name _____
